

When does the day begin?

Why is it important?

It is important when you are trying to keep the moadim (appointed times) of YaHWeH that you keep them on the correct time and day He appointed them to be on.

The difference between day and night, and a calender day

[Genesis 1:1-5 \(KJV\)](#)

1 In the beginning God created the heaven and the earth. 2 And the earth was without form, and void; and darkness [was] upon the face of the deep. And the Spirit of God moved upon the face of the waters. 3 And God said, Let there be light: and there was light. 4 And God saw the light, that [it was] good: and God divided the light from the darkness. 5 And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.

This text without trying to exogete other things out of this english translation seems to say that the combination of day and night forms what we call a calender day.
