

Eternal Torah

Introduction

Was the 'Law' or Torah first introduced by Moses and is it therefore his law? Did Jesus keep it perfectly, but we don't have to keep it any longer because He fulfilled it? Or are the Law/Torah/Instructions the ways of the Father in which he walks eternally and we will too for eternity?

What is the Torah Did the Torah come from Moses? Did Yeshua end the Torah/law

The angels keep Torah

Job 1 and 2 (Septuagint) angels appear before YHWH Elohim

Exodus 23:17

Jubilees 15:27 (all angels are male)

Romans 7:1-4 (Christ will present us to the Father)

When someone says 'keeping the law' or how I would like to word it 'practising the instructions and ways of Yahweh' why do people think the context is that you can't make mistakes? and that you are trying to circumvent Yeshua..?
