

Investigating Babylon

Introduction

After watching the 21 part series on Kingdom in Context with the same title for the second time, I feel like I should re search the information presented to me, test it and study out the topic's further. And ofcourse add aditional topics that I feel could supplement or add to these topic's.

I think there will be a lot of overlap between this area of research and the biblical cosmology area, because I feel like the biblical cosmology topic awnsers a lot off the deceptions perpetrated by Babylon.
