

7 stick not 9 stick There is no where that Father HIMSELF commanded his people out of his own mouth to make this up for him, now I get their intentions but it was never authorized. and same goes with purim where the scriptures for that one says LITERALLY they took it upon THEMSELVES to make this feast .. either way both of these " celebrations " are ADDING to what Father has ordered and authorized out of his own mouth in leviticus 23 .. and john 10 does not prove Messiah did hannukah as most try to use ... .first , it was a man made up tradition ..a CUSTOM....its highly doubtful Messiah followed man made up tradition ..second, from what I see ..and others I've noticed is Messiah looks like he was there just so he could get into a verbal altercation with the pharisees like we see him consistently doing with thema the time .[.I think everything he did was strategical] ....and he preceded to rebuke them and says one key thing ...if you were my sheep you FOLLOW ME [ which the first half of that chapter all he does is use sheep analogies ] ..then what does he do immediately after that .....he walks off ..yet no one followed why because they weren't his sheep of they were they woymd of left that nonsense behind and walked off Solomon's portico with em .. people get rid of those 9 stick menorahs they are not if the Father but of JUDAISM ..a man made religion ..shalom ..praise AHAYAH.
